

Explanation

The following table shows the full results for this year's Rose Inn Series. Points are awarded according to position, in each race. Runners must complete a minimum of three races to qualify for the series, and the best three scores are accumulated. Only those runners who completed at least three races are shown.

Your position in the table is determined by the total of your best three scores. When there is a tie your position is decided by the total of your race times for the three scoring races

Points of interest.

The overall male winner, Peter Coles, came third in all three races that he entered.

The winners of the LV40 and LV45 categories were down to the time factor.

Ron Morris, Alan Bladen and Brenda Avery won all four races in their category.

Peter Coles and Julie Scholey won all three races, in their category, that they entered.

All Men

Table with columns: Posn, Name, Club, May, June, July, Aug, Total, Time. Lists 42 runners and their performance across four races.
